SECRETARY OF THE SENATE  
14 NOV 17 PM 2:08

Due to the primary election going into runoff funds that were initially designated to the General Election because it was the "next election" are now being designated to the runoff, which became the "next election" following the June 3rd election.

Donors were notified and given the option to respond to authorize the redesignation or request a refund. The notification stated that if they didn't respond asking for a refund within 10 days the donations would automatically be redesignated to the runoff election as it was the "next election" and their contribution was intended for the "next election."
